ROME, NY - Today Assured Information Security, Inc. announces the resignation of Dr. Leonard J Popyack Jr, a co-founder of the Rome, NY-based company. Dr. Popyack has accepted a buy-out offer from the Company. During his tenure AIS, Inc. has achieved a national employment of approximately 100 scientists and engineers performing advanced research and development in cyber security products for Government customers. AIS, Inc. will retain Dr. Popyack as a consultant for an interim period to help smooth the transition of current initiatives and projects.

Dr. Popyack has served in various positions within the company including the positions of President & CEO, Executive Vice President, Vice-President as well as the Chief Scientist for AIS. Chief Executive Officer Steven Flint stated "We are grateful for the technical insight and research leadership Dr. Popyack has provided to AIS, Inc., and commend him for all that he has accomplished at AIS. We wish him all the best in his future endeavors."

Dr. Popyack plans to continue to teach graduate classes for Syracuse University, travel, and spend time with his family which resides in Clinton, NY.

About AIS, Inc.
