Rome, NY -- Assured Information Security, Inc. (AIS, Inc.) received official notice from John Koten, Editor in Chief and CEO of Mansueto Ventures, Publisher of *Inc.*, that it is included in the 2008 ranking of the 500 fastest growing companies in the United States. AIS, Inc. ranked #486 among all eligible firms in the US, and, at #35, it was the only company in New York State ranked in the Government Services industry sector. Companies are ranked according to the percentage growth of their revenue from 2004 through 2007. During this time, AIS, Inc. recorded a growth of 643.5%. The Rome, NY-based corporation was founded in 2001 by Dr. Leonard Popyack (Clinton) and Mr. Charles Green (Westmoreland). The company has its roots in Air Force Research Laboratory, Rome Research site, and still works closely with AFRL and other government customers.

AIS, Inc. Corporate Headquarters are located at 245 Hill Road on the Griffiss Business & Technology Park, and the company leases facilities in Beaverton, Oregon.

AIS, Inc. is an active participant in the NY Empire Zone employment credit program and has exceeded its required employment goals each year. The AIS, Inc. Beaverton office is also projected to expand operations.

AIS, Inc. conducts research and development into new and revolutionary computer network security capabilities. Internet and other computer network capabilities are now an essential component of US military and economic security. AIS, Inc. research contributes to a secure cyberspace for the US Government and private citizens alike. The focus of AIS, Inc. R&D is Computer Cyber Operations products, which are used for National Security and defense.

Past companies that have achieved inclusion on the *Inc.* 500 list include Microsoft Corp, Oracle, Under Armour, and other globally recognized corporations.

The complete list of 2008 *Inc.* 500 awardees is provided in the September issue of *Inc.*
